

Using Public Access

Open your web browser, and go to <http://planning.lancaster.gov.uk> to access the Public Access site.

The screenshot shows the Lancaster City Council website. At the top, there is a search bar with the text "keywords" and a "GO" button. Below the search bar is a navigation menu with "Home" selected. The main content area is titled "Planning » Simple Search" and includes a search form with tabs for "Simple", "Advanced", "Weekly/Monthly Lists", "Property", and "Map". The "Simple" tab is active, and the search form contains a "Search for:" section with radio buttons for "Applications", "Appeals", and "Enforcements". Below this is a text input field with the placeholder "Enter a keyword, application reference, postcode or single line of an address." and a "Search" button.

Simple Search

You can search for Planning Applications, Appeals, or Enforcement Notices. Select the appropriate case type you require using the selection buttons.

To find a case, you can search by application number or case reference, postcode, or the first line of an address.

If you are not sure of any of the above, try a Property Search or a Map Search by clicking on the Property or Map tab.

Search Examples:

Enter an application number, for example "10/00366/OUT"

Enter the first line of an address, for example "Town Hall"

Enter a postcode, for example "LA1 3RJ"

Planning » Applications Search

Search for Planning Applications, Appeals and Enforcements by matching at least one search option in the form below. [Help with this page](#)

The screenshot shows the Lancaster City Council website's "Planning » Applications Search" page. It features a search form with tabs for "Simple", "Advanced", "Weekly/Monthly Lists", "Property", and "Map". The "Advanced" tab is active, and the search form is divided into "Reference Numbers" and "Application Details" sections. The "Reference Numbers" section includes input fields for "Application Reference", "Planning Portal Reference", and "Alternative Reference". The "Application Details" section includes input fields for "Description Keyword", "Applicant Name", and "Address", as well as dropdown menus for "Application Type", "Ward", "Parish", "Agent", "Status", "Decision", "Appeal Status", and "Appeal Decision".

Advanced Search

Click on the Advanced tab to access Advanced Search. This gives you more search options.

The Description Keyword field allows you to search the application description. If you wanted to find all the applications for "wind turbines", enter it here and click Search.

At the bottom of the screen you can enter date ranges to narrow your search results. This will also help speed up your searches.

Search Results

Your search results will be shown in the format below. If your search returns only one result, you will be taken directly to the Application Summary for that application.

Map Information

The results on this page are shown on the map below. You can see more details by clicking on the search result on the left or clicking a point marked on the map.

A to Z Street Search

The A to Z Street Search allows you to view properties by Street Name. Use the letters across the top to show streets beginning with that letter. You can change the number of results per page by changing the drop down menu and clicking Go. Click on the street name to show the properties on the street.

Address Search

The address search allows you to perform a conventional address search.

You can search by postcode from this screen.

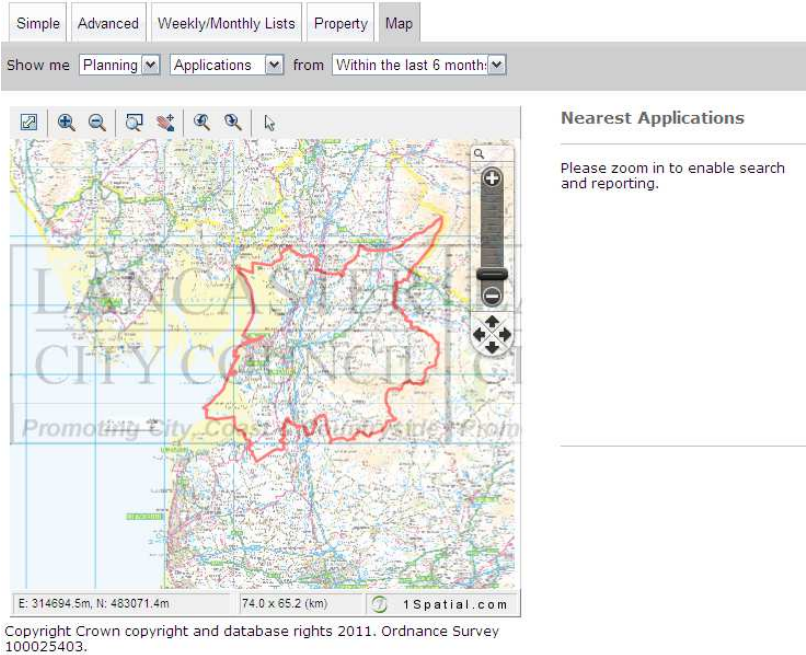

Enter the address details and click Search to show the results.

The property search results are shown in a list.

Click on the property to view the property details.

Map Search

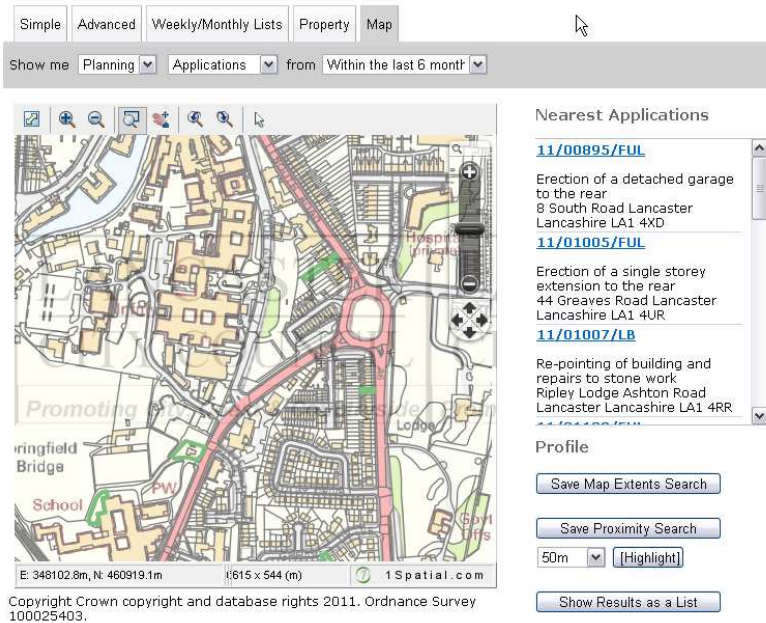

The Map Search allows you to view applications on an interactive map. To start, click on the Map tab.

This shows the initial map view.

You can select what type of applications and from what time frame you want to view using the “Show me” drop-down menus above the map.

Use the map controls to zoom to the area you are interested in.

Once zoomed in below a scale of 1:10000, the applications are highlighted on the map edged in green, and the list of Nearest Applications is completed.

Click on the application number to view the application details.

Click Show Results as a List to show the applications as a list without the map view.

Tracking an Application (Registration Required)

Once registered, you can track an application. You will receive an email alert when the application is determined. You will need to log in to track an application.
